Consist Software Solutions opens office in Frankfurt

The Kiel-based IT company Consist Software Solutions GmbH, specialized in the development and maintenance of individual software with headquarters in Kiel, opens an office in Frankfurt am Main today.

Kiel – In the course of the continuous growth Consist Software Solutions expands its presence in Southern Germany with immediate effect with a new permanent representation in Frankfurt.

"This will provide more proximity to our customers in both the Rhine-Main region and in Southern Germany," explains Martin Lochte-Holtgreven, managing director of Consist Software Solutions. A focus of Consist's activities lies in the Rhine-Main region, including the customer segment of financial service providers.

The manager of the new Frankfurt office, Ilhan Sakinc, and his deputy, Serjik Margosian, have already gathered extensive experience with the successful handling of software projects. Ilhan Sakinc has been involved in different management tasks related to product and software development, and Serjik Margosian has worked as a senior project manager in different companies. "We are happy to provide Consist, a midsize, innovative software company, with our expertise and regional presence," says Ilhan Sakinc. "From Frankfurt we are providing the entire Consist portfolio – from the development and maintenance of individual software to specific solutions."

Company Portrait

Consist Software Solutions GmbH specializes in the development and maintenance of individual software.

Portfolio of services of Consist Software Solutions

The portfolio of services contains three main areas:

- The area of **Professionals & Projects** encompasses the development and modernization of individual software, the sourcing of qualified experts and IT consulting.
- As **Managed Services** Consist provides the maintenance and development of individual software with customer-individual service level agreements up to 24/7 coverage. The Managed Services also include development of applications within the agile software production as well as optional integration of offshore and nearshore resources.
- The third area of business **Solutions** provides turn-key applications for niche markets, e. g. Modawi for secure communication and the proven helpdesk solution SysAid for easy system administration. Furthermore Consist offers different development tools for the modernization of applications.

More than 600 satisfied customers throughout Europe have benefited from over 25 years experience in information technology, as the motto of the Kiel-based specialists is like in the whole Consist World Group *Pushing IT forward!*
