Consist at the .conf

Consist is involved as a Splunk partner, with short presentations and 1:1 expert conversations, at the .conf from October 1 - 4, 2018 in Orlando.

Kiel – Consist Software Solutions is contributing expert know-how at the .conf, the annual User Conference for Splunk customers and partners. The .conf is taking place from October 1 – 4, 2018 in the Walt Disney World Swan and Dolphin Resort in Orlando, Florida. Participants at the “Ask the Experts” event can book a personal conversation with an expert on a range of topics. This expert is then available to answer their questions. Martin Müller will be Consist’s Splunk expert. He is one of a select group of Splunk Trust members, who possesses very extensive knowledge of Splunk and also passes this on within the worldwide Splunk community. As a Senior Consultant at Consist and a Splunk Certified Architect, Martin Müller has extensive experience in projects with Splunk in heterogeneous IT environments for customers in a variety of industries.

He is also speaking at several interactive short presentations in the Community Lounge on the topics of “Search Performance”, “Job Inspector Deep-Dive”, and “A Splunk Turing Machine – Showing that Splunk literally can do all the things”.

About the .conf

The four-day conference brings customers and partners together to present the wide range of opportunities for the processing and analysis of large quantities of data. In 2017, around 7,000 participants attended the
