## Careers at Consist

**If you're interested in getting to know Consist as an employer and finding out about current vacancies, you will have that opportunity at a number of trade fairs in 2018. The next date is May 24, 2018 at contacts, at Kiel University.**

Kiel – IT service provider Consist Software Solutions is growing, and is continuing its search for new employees. The company will present the career opportunities for potential applicants at Consist and the specific options available to students, graduates, young professionals, and other applicants at a range of career events.

### **contacts on May 24, 2018 in Kiel**

The contacts trade fair at Kiel University is the perfect opportunity for interested parties to get information about Consist at booth A13 in the Audimax on May 24, 2018: for an internship, thesis work, or as a future employer. No registration is necessary, and entrance is free.

The trade fair is being held this year for the 19th time and will allow HR managers and students from different majors to network in a future-oriented way and exchange career perspectives.

### **Report on meet@frankfurt-university**

On May 16 and 17, 2018, Frankfurt University of Applied Sciences hosted their own careers trade fair, meet@frankfurt-university. Consist has an office in Frankfurt, and is actively seeking software engineers and Splunk / cyber security consultants for demanding customer projects. Many

## Report on Jobbus in Kiel

On May 8, 2018, the Jobbus, the mobile career fair, was hosted at Consist. Participants learned first-hand how much variety there is in the activities of our IT company. Our colleagues presented examples of work in the areas of Projects, Managed Services and Sales. The young guests made extensive use of the opportunity to get answers for their personal questions, for example about the technologies used, projects in machine learning, and rules about flexitime.

# Company Portrait

Consist Software Solutions GmbH is a specialist in IT services and software. The IT service provider supports its customers throughout the entire software lifecycle, from development projects to maintenance in the operating phase, to supplementary big data and security products.

With more than 200 employees at the sites in Kiel, Berlin and Frankfurt, Consist is setting the benchmark for data analytics, IT security and managed services.

Founded in 1994 at the Kiel headquarters, the company continues its growth path, which makes Consist one of the most experienced IT service providers, thanks to proven mainframe competence and highly qualified specialists for innovative technologies. Awarded with the „Großer Preis des Mittelstandes“ Consist again received the plaque of honor in 2016.
