“Meet Consist!” for a live dialog

Future applicants can get a direct impression of Consist as a potential new employer and clarify any questions they might still have as part of a web session. March 27, 2023 marks the launch of the new "Meet Consist!" event format, which will be held once a month.

Kiel – The IT service provider Consist, headquartered in Kiel and with another site in Frankfurt, will enable people who would like to get to know the company better as an employer to participate in a new event format with "Meet Consist!" from 5 – 6 pm starting March 27, 2023. In a web session, interested parties and future applicants can ask their open questions, e.g. about forms of work, corporate culture, events and training, to team leaders from various areas of the company and receive direct answers.

"Anyone who is considering applying to Consist and would also like to gain more insight into our company can now speak to us live once a month as part of Meet Consist. All questions are welcome," explained Consist Managing Director Martin Lochte-Holtgreven. Participating in the web session is possible from 5 – 6 pm on the last Monday of every month.
