Kiel – Consist Software Solutions congratulates the Oskar Patzelt Foundation on 25 years of the “Großer Preis des Mittelstandes”. On October 19, 2019, the celebratory finale of the 25th national competition for the prestigious German business award took place in Würzburg as part of a gala. Special awards from throughout Germany were given to outstanding individuals, companies and institutions. Consist’s Managing Directors Martin Lochte-Holtgreven and Jörg Hansen were guests at the celebratory gala and ball, which was held under the motto “sustainable management”.

“We are very pleased to be one of the elite companies involved, and give the Oskar Patzelt Foundation our most heartfelt congratulations for a quarter of a century of making a successful impact. The “Großer Preis des Mittelstandes” is a recognized, highly coveted award, which we have received, too,” summed up Consist’s Managing Director Jörg Hansen. After nomination for the premiere award, this year Consist Software Solutions reached the second stage in the competition for the “Großer Preis des Mittelstandes”. The company won the “Großer Preis des Mittelstandes” in 2011 for the region Schleswig-Holstein/Hamburg and in 2016 it was commemorated with the plaque of honor “Großer Preis des Mittelstandes” for the premiere special prize.

For the 25th competition in 2019, a total of 5,399 small and medium-sized businesses as well as business-friendly communities and banks from more than 1,400 institutions were nominated throughout Germany.
