## Jury stage in the "Großer Preis des Mittelstandes" (Grand Prix of Small and Medium Business)

**After nomination for the premiere award, Consist Software Solutions has reached the second stage in the competition for the "Großer Preis des Mittelstandes".**

Kiel – After a repeat nomination for a premiere special award in the competition for the "Großer Preis des Mittelstandes", which is recognized throughout Germany, Consist Software Solutions has now made it onto the jury list. This already makes Consist one of the elite - from the 5,399 companies nominated in 2019, just 758 got to this second stage of the competition. In the next step, 13 juries debate which companies on the list this year will become the finalist, prize winner, or be awarded a special prize. The decisions will not be released until the evening of the award ceremony in September.

Consist was the prize winner in 2011 for the "Großer Preis des Mittelstandes" in the economic region of Schleswig-Holstein/Hamburg. In 2016, the company was commemorated with the plaque of honor "Großer Preis des Mittelstandes" for the premiere special prize. The "Große Preis des Mittelstandes", from the Oskar Patzelt Foundation (Oskar-Patzelt-Stiftung), is now taking place for the 25th time, and is regarded as a highly coveted award.
